Integration - Wedge For Revolution NEGRO MADE PAWN OF COMMUNISM

U. N. "P E A C E" AGITATOR

Analysis has long been recognized as the basis of understanding. This particular analysis is made without the benefit of any gobbledegook or labored epigrams that would be fitting for a Harvard or Brandeis pseudo-intellectual professor. In fact, this analysis is so terse and in sufficiently simple language as to enable anyone of reason to easily understand what is behind integration.

Integration is the association of different groups so that they will merge one with the other. In every case where there has been integration, mongrelization has been the result. Hence, mongrelization is the ultimate and acknowledged aim of those who are for integration. Every country where there is integration is in turmoil. Every civilization that has been destroyed was first integrated; and history has a way of repeating itself.

In the South, Negroes and Whites have been living in harmony for many years—each with his own race. There are fewer mulattoes proportionately now than there were 60 years ago. Now we in America are having forced upon us the most diabolical scheme ever perpetrated against any segment of the human race—namely, forced integration by a law not of the people, but by a dictator at the point of rifles and bayonets. White people are no longer allowed to associate with those of their choice. If the policies now advocated by those in control are adopted, those people in the United States who want to keep a White race will have to go to a country where they have more intelligent leaders.

There are many groups who are advocating integration. Among the main ones are—

THE COMMUNISTS

—To take over and control America

The communists are not fools; they know it would be impossible to conquer America from the outside now. But with a mongrelized state torn asunder from within, there will be little resistance that cannot be easily overcome. They also know that a war would be useless destruction when they have a superb Trojan Horse (integration) already inside the United States, controlled by their co-workers, the Jews and Jew stooges in high government places. Ever since the Hoover Administration, communism has been gaining through its socio-communist policies in all three branches of our Government. Now, with the executive and judicial branches of our Government subjugating the legislative branch, the Trojan Horse is ready to disgorge for the final kill, with integration and mongrelization. To divide and conquer has always been the easiest way to win. America has never been more divided than it is now. With loss of control over property, loss of freedom of association, loss of the right to express initiative, the soul of America is being destroyed. To think of communism as practicing brotherly love is assinine. The communists preach integration to weaken us; but they do not practice what they preach.

Mongrelization of America is far more destructive than all of the Soviet Union's bombs. We need not fear her bombs, for she does not want a scorched America and she

has a fair chance of taking our country without firing a shot. This will be followed up with the slaughtering of the reds who betrayed America and the Christians who loved it—just as has been done in every country, including Cuba, that the communists have taken over.

Working with the communists in advocating integration are—

THE JEWS

—To destroy the White Race and Christianity, and ultimately to rule the world

Communism is the brainchild of the Jew Marx and Engels. Although not all Jews are openly communist, they are the chief proponents of communism. They are the chief instigators of integration. They are the ones who led the movement to take God out of the schools and put the Negroes in. They

have always been the trouble makers in the world stirring up strife wherever they go, as shown by the Old Testament and world history. The Jews hate the Christian religion and all Christians. Every Zionist organization is for integration—of Christians. The purity of the White race, and of the Negro race should be preserved. If the White and Negro races integrate, the result will be a docile mongrelized race easy to control. To achieve their goal to rule the world, there is no moral code the Jews respect. Their aim is to keep others in turmoil and strife for their own ends, and they will stop at no means to attain those ends, the most effective of which are the—

MEDIA OF MASS COMMUNICATION

—To indoctrinate the stupid Goyim

That the news media of the United States (radio, tv and the press) are owned or controlled by the Jews is a known fact. They will withhold all advertising where the mentioning of Jews, or any policy that they favor, is in other than the most commendable terms. The main theme is to glorify the Negro and deride the White Southerner, and to smear, as the lunatic right fringe, all who dare to defend the Constitution, Christianity and the America of our founding fathers.

THE POLITICIAN—To get votes

Once an honored and dignified profession, politics has taken on an all-time low. For many present-day politicians, nothing is too low if it results in votes. Today to call one a politician is a near-insult. The reaction to the word "politician" is liar, grafter, janus-face who will betray friends, family, morals, country and God if, by so doing, he will get votes. These people are found in the lowest to the very highest places in our Government. Those politicians who are for integration know there is a large block of voters who will fall for their unscrupulous tactics and who can be controlled by will. It is pathetic to note that our executive and judicial branches are now composed for the most part of politicians, instead of statesmen and jurists. That many in our legislative branch have succumbed to the other two branches is alarming. Politicians do not consider if a law is best for the country, but how many votes it will get them. The reason most labor leaders are for integration is that they are politicians first, and, acting like politicians, they represent their own self-interest, rather than speaking for most of their members.

THE BRAINWASHED DO-GOODERS

—To go with the crowd and to promote self-interest

These people who are advocating integration are the ones whose behavior is controlled by their emotions and by suggestion. The Jews, being masters of suggestion and deceit, have them under control to such extent that many aid communism, which aims to destroy the God they worship. These do-gooders are for integration as it gives them a chance to indulge their desire to be important, which desire has been thwarted due to their inferiority. The socialists are

Martin Luther King Jr. MARXIST TOOL & RACE AGITATOR

.....

Recently many people received a great shock when *Time* magazine came out with the picture of Dr. Martin Luther King, Jr. on the front cover as *Time's* selection for the honor of being "The Man of the Year."

Upon beholding the magnanimous spirit of the editors of *Time*, we began to think on some of the activities of Dr. King during the past year and some of the statements he made.

On February 5, 1964 Martin Luther King, Jr., speaking to a crowd of 5,000 persons at Drew University in Madison, New Jersey, said, "There is no communist influence in the civil rights movement." (Record, 2/6/64) To say the least, this is one of the greatest understatements of the year.

"BIRDS OF A FEATHER . . ."

There is an old adage to the effect that "birds of a feather flock together." This means of course that persons and other animate creatures on the earth naturally gravitate toward their own kind. Even the birds and the animals of the field prefer to have it this way, which, after all, is the Divine Plan. While this is true in the natural realm, it is also true that "birds of a feather flock together" in the spiritual or the ideological realm. Generally speaking, a Methodist prefers to go to a Methodist church, a Catholic to a Catholic church, a Jew to his synagogue, a communist to his Party Meetings, and so on.

LET US CONSIDER KING'S FRIENDS

In the April 1 edition of *COMMON SENSE* in 1960 the lead article was entitled **MARTIN LUTHER KING, JR.: MARXIST TOOL AND RACE AGITATOR**. We quote briefly from it:

"Let's take a good look at King's record since he was picked as one to 'lead' the Negroes down the crimson path to a Soviet America. Over the Labor Day weekend (8/30/ to 9/2/57), Highlander Folk School, at Monteagle, Tenn., staged its 25th anniversary seminar on 'the . . . integration struggle.' Notorious communists, veteran communist fellow-travellers, and Negro leaders in all the recent major incidents attending integration efforts were present at the seminar . . . This school is actually a Communist Training School. The closing address at this seminar was made by Martin Luther King. Pictures taken at that time show him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the *Daily Worker*. Pete Seeger, participant in the N.Y. State Youth Board of the C. P. (*Daily Worker*, 2/22/49) and long time C. P. member, entertained the delegates.

"King is president of the Southern Christian Leadership Conference and led the Montgomery Boycott and the March on Washington. . ."

The picture of King with known communists mentioned above has had wide circulation in the past few years and millions of Americans doubtless have seen it. Speaking at the Labor Day seminar of Highlander Folk School in 1957, Dr. King said: "I have long admired the noble purpose and creative work of this institution. For 25 years you have given the South some of its most responsible leaders in this great period of transition." The march on Washington referred to above was the one engineered by King 10/25/58. To be able to more fully understand the actions and associates of "The Man of the Year" let us take a brief look into some historical facts.

Commonwealth College was founded at Mena, Arkansas by Myles Horton in 1932. The records of the Circuit Court, Polk County, Mena, Arkansas, reflect that it was

Martin Luther King Jr.

found to be a communist school and on Jan. 30, 1941, was convicted in Criminal Court on charges of anarchy—failure to display the American flag and for displaying the hammer and sickle on the College campus. A total of \$2,500 in fines was assessed against the school, and the school being unable, or unwilling, to pay, its property was sold. After the College was declared "a communist school" and closed by the State of Arkansas, it moved to Tennessee where five persons applied for a charter of incorporation for a school to be known as **HIGHLANDER FOLK SCHOOL**.

"The Highlander Folk School at Monteagle, Tennessee, has been used for communist and communist front purposes for the past 25 years."—from testimony of Dr. J. B. Matthews, former Director of Research, Special Committee on Un-American Activities (Dies Committee) 1938-45—at Hearings before the Special Education Committee of the Arkansas Legislative Council, Dec. 16, 17, 18, 1958.

"The Tennessee Supreme Court ruled yesterday that Highlander, long a nest for leftwing activities and their promoters, has forfeited any right to a state charter because Highlander, though supposedly non-profit, was operated for the personal profit of its director, Myles Horton . . . The Tennessee Supreme Court also upheld the lower court's ruling that Highlander Folk School had been guilty of bootlegging . . ."

—Chattanooga News-Free Press, 4/6/61.

IN BUSINESS AGAIN

When the Supreme Court of the State of Tennessee ruled against Highlander Folk School, the school appealed to the United States Supreme Court, which Court refused the case. So Highlander moved over to Knoxville, Tennessee, changed its name, applied for and obtained another Charter from the State of Tennessee. We quote briefly from a folder put out under its new name:

"Under its new name and at a new address . . . **THE HIGHLANDER RESEARCH AND EDUCATION CENTER**, 1625 Riverside Drive, Knoxville, Tennessee . . . the school continues to practice its ideals . . . ideals for which its predecessor, the Highlander Folk School, was loved and hated and finally

closed after 29 years as an integrated school in the South. The new Charter, granted by the State of Tennessee in 1961 . . ."

In March, 1963, the Internal Revenue Service of the U.S. Treasury Dept. granted tax-exemption to this restored arm of communism and made all contributions retroactively deductible from date of Highlander Center's incorporation, August, 1961.

But with a change in location, Highlander itself did not change. We quote again from the folder put out recently by Highlander: "In the summer of 1963, hate-inspired forces again tried to destroy Highlander and all it stands for. This time the attack was directed against an incompleting new conference center in the Smoky Mountains near Maryville, Tennessee . . . The camp was raided without search warrants, the camp directors and young work-campers were arrested and later convicted of disorderly conduct, contributing to the delinquency of minors, and such unwarranted charges . . . The half-constructed buildings at the camp site were burned to the ground—again 'by persons unknown.'"

The law enforcement officers making that raid fill in the details the above leaves to the imagination. According to newspaper reports giving the officers' version of what they saw during the raid, as one said, "I have taken part in many such raids, but that one was the most revolting thing I ever witnessed. Drunken youths, both black and white, were all over the place engaging in promiscuous sexual acts. I never saw anything like it before, and I hope I never do again."

The lists of "SPONSORS—Fall 1963" as printed on folder referred to includes "Dr. Martin Luther King, Jr., Pres. Southern Christian Leadership Conference, Atlanta, Georgia."

Communists planned long ago to bring about the "Black Revolution" now being pushed so vigorously. Commonwealth College and Highlander Folk School were founded for this purpose and now Highlander Center continues the work praised so highly by the "Man of the Year" in his speech at the 1957 Labor Day seminar at Highlander Folk School. In February, 1961, Martin Luther King's Southern Christian Leadership Conference and the Highlander Folk School joined forces "to train Negro leaders for the civil rights struggle." (N.Y. Times, 2/23/61).

The present Chairman of the Board of Directors at Highlander Center is **Dr. B. R. Brazeal**, Dean of Morehouse College, Atlanta, Georgia (M. L. King's alma mater). Other Highlander directors include **Myles Horton**, who, when, asked to join the Communist Party, replied: "I am doing you just as much good now as I would if I were a member of the Communist Party." (from testimony of a former Communist Party official, Southern Conference Educational Fund, Inc. hearings before Senate Internal Security Subcommittee, March 18, 19, 20, 1954) and Rev. S. S. Seay, staff member of Southern Christian Leadership Conference (Martin Luther King, president). Also listed on the Board of Directors: **Dr. Charles Gomillion**, Dean Tuskegee Institute, Tuskegee, Ala.; **Dr. John B. Thompson**, Pastor Community Congregational Church, Berkeley, California, (who has a record of communist-front citations reaching back to the days of the famous Dies Committee).

A few of the Sponsors of Highlander Center: Roger Baldwin, who was quoted in the Harvard Class Book (1935), "I am for socialism, disarmament . . . abolishing the state itself . . . social ownership of property . . . communism is the goal"; **A. Meiklejohn**, Berkeley, Calif., whose "front" citations also go back to the '40s. On an 8/21/63 letterhead of the National Committee to Abolish

the House Committee on Un-American Activities, A. Meiklejohn is listed as "honorary chairman." This committee has been cited as a "new organization" set up in the summer of 1960 to "lead and direct the Communist Party's 'Operation Abolition' campaign." "Seven of the national leaders of this group have been identified as communists" (House Report 1278, Committee on Un-American Activities). **Hilda Smith**, FDR's "Specialist in Workers' Education of the Federal Emergency Relief Administration" is also a sponsor.

"Washington Merry-Go-Round" column 10/3/35, made this observation of Hilda Smith: "Sometimes she is called Harry Hopkins' 'professor of Communism.'" Rabbi Jacob Weinstein and Maxwell Geismar are sponsors. Geismar and Rabbi Weinstein, as well as Martin Luther King, signed an appeal put out by "The Committee to Secure Justice for Morton Sobell." Sobell was a convicted Jewish spy.

JEWS DOMINATE CIVIL RIGHTS

According to the late Rabbi Stephen S. Wise, communism equates with Judaism. This is proven by the large number of Jewish communists brought to justice in many countries for their spying activities. And the Jewish power is the main force behind the great civil rights drive today. There has never been a Negro president of the NAACP. A Jew has always filled that office. The National Association for the Advancement of Colored People is positively a communist dominated organization. All the important officers in the NAACP we know of have been tied in with communism. A Zionist Jew, Arthur Spingarn, is president of the NAACP. He has contact with many Red-front organizations. From California to New York, King has met with many Zionist Jews working in the interest of their drive to force total integration of Whites and Negroes.

NEGROES EXPLOITED FOR RED AIMS

Communism's cynical view of the Negro's struggle for civil rights as nothing more than a stratagem to expedite the world communist takeover is admitted in a recent issue of the DAILY WORKER. An article by Daily Worker editor James E. Jackson, which first appeared in the Communist Party's paper of August 25, 1963, is being circulated in the Moscow foreign-language journal, NEW TIMES of October 2, 1963.

"As basic victories are achieved against racist barriers," wrote Jackson, "the steel cogs of the Negro freedom movement mesh more and more with the gears of the historic class struggle of the working poor against the exploitation system and the power structure of capitalism itself." (Tocsin, 10/30/63)

STATESMAN OR TOOL?

CONGRESSMAN Adam Clayton Powell, Chairman Education & Labor Committee, Minister in the largest Baptist Church in the world (Abyssinian), three times married, income tax evader. Powell has a total of 66 communist front citations. U. S. News & World Report (Sept. 17, 1962) calls him a disgrace to the people of his district. He "feels" for the poor while operating his two boats, his Cadillac, Jaguar and Chrysler cars, and occupying his Mt. Vernon (N. Y.), Washington, D. C. and Puerto Rico homes.

According to Time (May 2, 1960) Powell claims he isn't a Negro but that he had a Cherokee Indian grandmother and that his other grandparents were White. Ben Davis, Negro communist official, endorsed Powell as foremost spokesman of the Negro; and Powell used these inflammatory words at an Englewood, N. J. rally: "The White man is scared, . . . we have America by the throat." (N.Y. Journal American, May 22, 1963)

In his latest attack against law and order in a White man's government, this dangerous demagogue joined the Rev. Milton Galamison, Malcolm X, Jesse Gray and Dick Gregory in picketing NYC schools March 16, 1964.

Perhaps Martin Luther King is so naive that he thinks he is using communism instead of communism using him. On October 4, 1963 a raid was made on the headquarters of a communist organization, the Southern Conference Educational Fund, in the State of Louisiana. Much damaging evidence was found, including some pertaining to Martin Luther King. The raid was carried out under the auspices of The Joint Legislative Committee on Un-American Activities, State of Louisiana. We wish to quote from some evidence seized in that raid which shows that King had been working with some men who had previously been identified in sworn

testimony as being members of the Communist Party. The first is a memo dated January 18, 1963, from Carl Braden to William H. Melish (both known communists) "in re Martin Luther King."

"Martin King has a bad habit of arriving late at meetings and assembly affairs such as the one we are planning in New York City on February 8. As soon as it becomes known that he has agreed to appear at our Annual Reception, there is going to be great pressure on him to forget about the affair. People like Ted Kheel, and the CORE group are very jealous of Martin's connections with a group like ours, and we must expect efforts to divert him. You have probably thought of all this, but I thought I should put my two cents in and send this with a copy to James Dombrowski." Signed, "Carl."

ENTER AUBREY WILLIAMS

Now let us look at a letter written on the Southern Farmer, Inc. stationery dated Feb. 26, 1960. It is signed with the initials A.W.W., which stands for Aubrey W. Williams, identified in sworn testimony as a communist. The letter is about Martin Luther King, and it discusses, among other things, \$100,000 which disappeared from the Montgomery Improvement Association. The letter was written to James Dombrowski. "Dear Jim: I must beg to be excused from writing anything in the way of a statement of support of Martin Luther King in this income tax case. First, it would be 'carrying coals to Newcastle' . . . I think he has no one to blame but himself for the fact that there appears to be large discrepancies in the accounts of MIA. E. D. Nixon as you know resigned because of the looseness of the MIA and that meant King. Nixon isn't so sure there isn't a lot of truth in what they are charging about the disappearance of \$100,000 of MIA money.

"So my advice is, we should keep out of it. . . . Sincerely yours, AWW."

It seems that King made it to New York all right to keep his speaking engagement for the communist meeting. In the evidence seized in the raid mentioned above was a cancelled check in amount of \$167.74 dated March 7, 1963, made out to Dr. Martin Luther King, Jr. and endorsed by King. There was a typed notation on the check, "N. Y. Exp." The check was signed by Benjamin E. Smith and James A. Dombrowski, and was drawn on the account of Southern Conference Education Fund, Inc., payable at Whitney National Bank of New Orleans. The number of the check was 4153.

ARREST AND INDICTMENT OF THREE

In the raid of SCEF headquarters three men were arrested: James A. Dombrowski, executive director; Benjamin E. Smith, treasurer; and Bruce Waltzer, Smith's law partner. We quote now from The Councilor for February 6, 1964:

"The grand jury indicted SCEF leaders on charges of violation of Louisiana's 'Subversive Activities Law.' Dombrowski was indicted on two counts of failing to register as a subversive agent and one of failing to register as a member of a subversive organization.

"Smith was indicted on three counts: two of failing to register and one of taking part in management. Named in the indictment as the two subversive organizations were SCEF and the National Lawyers Guild.

"Waltzer was indicted on one count of failing to register as a member of the National Lawyers Guild.

"The grand jury supported a position taken earlier by United States Senate probers, and by the Councilor staff: It held that SCEF was essentially the same organization as the old Southern Conference for Human Welfare. Under the old name the organization was cited by Congressional Committees as a communist front.

"The grand jury also recognized the National Lawyers Guild as a communist front.

"Assisting the Joint Legislative Committee to obtain evidence was the Caddo Parish

SOME HIGHLANDER SUPPORTERS

The Highlander Folk School, which Martin Luther King, "Man of the Year," regarded so highly for its work in giving "to the South some of its most responsible leaders," as early as 1946 was reported in the communist *People's World* to have received a \$15,000 bequest from the Julius Rosenwald Fund for use in Highlander's rural education program (Tocsin, 5/8/62). In 1954 the Ford Foundation (which set up Fund for the Republic) gave \$240,000 to Southern Regional Council. Morris B. Abram, Atlanta attorney, was one of the group appointed to spend the money.

On January 9, 1964, Morris Abram, who is President of the American Jewish Committee, urged President Johnson to establish an "Equality Corps" to advance civil rights in the United States. Abram was the first legal chief of the so-called Peace Corps. (N.Y. Times, 1/10/64). Morris Abram is the U. S. expert on the U. N. Subcommittee to Eliminate Discrimination, and on January 13, 1964 Abram proposed an international treaty outlawing segregation and "Hate groups." (Hackensack Record, 1/14/64) On January 25, 1964, Morris Abram took his U. N. subcommittee to Atlanta, Georgia, and observed Negro demonstrations. Signs were carried reading "Atlanta needs U. N. help," etc. Abram was delighted and said, "This is wonderful. This is exactly what we wanted to see." (N.Y. News, 1/26/64)

Morris Abram is a director of Field Foundation, Inc., which has sponsored workshops at the Highlander Folk School (Carolina Israelite, March-April, 1958). Other directors of the Field Foundation are Ralph Bunche, and Adlai E. Stevenson (president).

1963 sponsors include Lloyd Garrison, who said "The Red menace is a myth and communism is a bogey-man to frighten children" (Chicago Tribune, 5/18/35); Clarence Pickett, and Justine W. Polier. The last-named, Justine Polier, is the daughter of the late Rabbi S. S. Wise and the wife of Shad (Isador) Polier, who has a front record going back many years. On May 4, 1960 Aubrey Williams wrote a long typewritten letter to Mrs. Polier (reproduced in the Joint Committee report referred to above), a goodly portion of which was devoted to the subject of Eleanor Roosevelt's withdrawal from SCEF. Williams wrote to Mrs. Polier: "I now come to you for some advice. It has to do with Mrs. Roosevelt. I do not know whether you know it or not, for she said she 'hoped that it would not be necessary to make a public announcement,' but she has withdrawn from any further connection with the SCEF . . . Her withdrawal has hit me right between the eyes . . ." SCEF must have been pretty rank if it was too much for Eleanor, for she was on the Board of Directors of NAACP and besides that had connections with over 100 fronts in her own right.

The old Southern Conference for Human Welfare (which became SCEF, Inc. without any change in office or personnel) was financed by the Robert Marshall Foundation, "one of the principal sources for the money with which to finance the Communist Party's fronts generally in recent years" (House Report 1311, 3/29/44). Robert's father, Louis Marshall, along with Julius Rosenwald and Jacob Schiff, founded the American Jewish Committee (Dilling Bulletin, Aug., Sept. 1958). Julius Rosenwald's son William is the present Chairman of the National Advisory Council, American Jewish Committee. Louis Marshall's son James is at present an Honorary Vice President of the same organization. On February 15, 1964 Morris Abram was chosen President of the American Jewish Committee (N.Y. News, 2/16/64).

Civil Rights agitation and Integration pressures were started long ago by communists as a part of their program to create revolution in America. That the Negro is being used as a tool of communism and that communism is a Zionist creation to establish their long planned Jewish-controlled slave state, none can deny who has honestly weighed available evidence.

BAYARD RUSTIN

Bayard Rustin, former member of the Young Communist League, was secretary to Martin Luther King, President of the Southern Christian Leadership Conference from 1956 to 1960.

Bayard Rustin, a former communist and deputy Director of the August 28, 1963 March on Washington, organized the 1958 pacifist drive and "would have been proud to have joined them in Red Square." Rustin spent 28 months in jail during World War II, for refusing to register for the draft. His police record includes a 1953 "conviction for sex (homosexual) perversion and a subsequent arrest for vagrancy and lewdness." Bayard Rustin has also been a member of two notorious Marxist Fronts: The American Friends Service Committee and The Fellowship of Reconciliation.

Bayard Rustin not only is one of eight "impartial observers," who attended the 16th National Convention of the Communist Party, USA., but also was identified as a member of the American Forum for Socialist Education, cited as a Communist Front by a Senate Internal Security Sub-Committee, December 19, 1957 (American Legion Firing Line magazine, July 15, 1958, p. 56.)

INTERMARRIAGE HIT BY JEWS

New York (AP) — Orthodox Jewish leaders warn that "one of the gravest threats to Jewish life is intermarriage between Jews and non-Jews."

The Rabbinical Court of America, an Orthodox body formed three years ago, called on all rabbinic groups yesterday to adopt strict regulations forbidding their members to perform such marriages.

Reds train Negroes for Violence Target U.S.A.

Communist East Germany has had an American Negro agitation training center in the Saxony industrial city of Bautzen for several years. The center, masked as an "Institute for the Advancement of the Negro Race," was set up for the express purpose of "transforming the racial unrest in the U.S. into violence."

Intelligence reports that communists are training agitators who then return to their homes to "await infiltration into U.S. population centers." The trainees are brought to East Germany on "scholarships." They include Guineans, Ghanaians, Congolese, Liberians and Togolese. An estimated 12 U.S. Negroes are now at the center. Gerhard Eisler, one-time leading communist in the U.S. reportedly set up this Negro training center.

Integration

only embryo communists. Too often we hear of groups of leading business men going along the path of least resistance, moved by fear of losing their fortunes.

The leaders of the above groups know that integration will perpetuate hatred and strife, though some of their followers are entirely too naive to know it.

With mongrelization forced upon us, the White race will fade out as the light does at sunset. Today 10 percent of our population are Negroes, and they are gaining 38 percent faster than is the White race. Since most people in favor of integration are those with sinister, selfish, ulterior motives or who are naive, it behooves all patriotic Americans to expose those sinister forces behind it. Most people do not know the true drive behind integration. The truth must be made known.

Our leaders talked, and gave Pearl Harbor away. Now the same dupes are saying, "Stop testing and disarm," while the most designing enemy of all—communism—is being forced on us through integration. Will we ever again have leaders who are for America first? In the beginning the integrationist claimed that to follow Christ we must have integration—then it was God—then brotherly love—later, the moral aspect: now it is to give the Negro dignity. Evidently nothing will satisfy the communists, Jews, politicians, do-gooders until the White Christian is destroyed.

The communists and Jews know that if close association of the races can be forced, intermarriage will result. The next demand will be to strike down the laws against intermarriage and remove immigration laws to let in hordes of savage Asiatics, Africans and more Jews. Is the White man to be denied all rights?

THIS IS "BROTHERHOOD"?

For Jews to pose as wanting fair play is foolish, when we consider how they manipulated their American and British stooges in ousting the Arabs from their homeland. Negroes are killing, raping, and driving the Whites out of Africa—with the approval and, in many cases, the armed forces of the United Nations, financed by the United States taxpayer.

We had a referendum on prohibition to see if it was wanted. Why can't we have a referendum on integration to see if the people want to destroy America?

As Abraham Lincoln said on August 14, 1862 about the Negroes:

"It is better for us both, therefore, to be separated."
